

## **Public Meeting on Future Cable-Related Community Needs and Interests and the Cable Operator's Past Performance**

On September 12, 2019, 5:30 p.m., the Ramsey/Washington Counties Suburban Cable Communications Commission will afford the public residing in Birchwood, Dellwood, Grant, Lake Elmo, Mahtomedi, North St. Paul, Oakdale, White Bear Lake, White Bear Township, and Willernie the opportunity to provide input regarding future cable-related community needs and interests and the current cable operator's past performance. The Cable Commission is currently reviewing this and seeks additional input as it considers renewal of the cable franchise set to expire, and as it considers whether to close the needs ascertainment process and issue a Request For Renewal Proposal. Therefore, the following meeting is open to the public and will include an opportunity for public input:

Meeting of: Ramsey/Washington Counties Cable Communications Commission

Date/time: September 12, 2019, 5:30 p.m.

Location: 2460 East County Road F, White Bear Lake, Minnesota, 55110
