

**701**            **LIQUOR REGULATIONS**

**701.010**        **Adoption of State Law by Reference.** The provisions of M.S. Ch. 340A, as they may be amended from time to time, with reference to the definition of terms, conditions of operation, restrictions on consumption, provisions relating to sales, hours of sale, and all other matters pertaining to the retail sale, distribution, and consumption of intoxicating liquor and 3.2 percent malt liquor are hereby adopted by reference and are made a part of this Chapter as if set out in full. It is the intention of the City Council that all future amendments to M.S. Ch. 340A are hereby adopted by reference or referenced as if they had been in existence at the time this Chapter is adopted.

**701.020**        **City may be more restrictive than state law.** The Council is authorized by the provisions of M.S. § 340A.509, as it may be amended from time to time, to impose, and has imposed in this chapter, additional restrictions on the sale and possession of alcoholic beverages within its limits beyond those contained in M.S. Ch. 340A, as it may be amended from time to time.

**701.030**        **Definitions.** In addition to the definitions contained in M.S. § 340A.101, as it may be amended from time to time, the following terms are defined for purposes of this chapter:

***LIQUOR.*** As used in this chapter, without modification by the words “intoxicating” or “3.2 percent malt,” includes both intoxicating liquor and 3.2 percent malt liquor.

***RESTAURANT.*** An eating facility, other than a hotel, under the control of a single proprietor or manager, where meals are regularly prepared on the premises, where full waitress/waiter table service is provided, where a customer orders food from printed menus and where the main food course is served and consumed while seated at a single location. To be a “restaurant” as defined by this section, an establishment shall have a license from the state as required by M.S. § 157.16, as it may be amended from time to time, and meet the definition of either a “small establishment,” “medium establishment” or “large establishment” as defined in M.S. § 157.16, Subd. 3(d), as it may be amended from time to time. An establishment which serves prepackaged food that receives heat treatment and is served in the package or frozen pizza that is heated and served, shall not be considered to be a restaurant for purposes of this chapter unless it meets the definitions of “small establishment”, “medium establishment” or “large establishment.”

**701.040**        **Nudity on the premises of licensed establishments prohibited.**  
(A) The City Council finds that it is in the best interests of the public health, safety, and general welfare of the people of the city that nudity is prohibited as provided in this section on the premises of any establishment licensed under this chapter.

This is to protect and assist the owners, operators, and employees of the establishment, as well as patrons and the public in general, from harm stemming from the physical immediacy and combination of alcohol, nudity, and sex. The Council especially intends to prevent any subliminal endorsement of sexual harassment or activities likely to lead to the possibility of various criminal conduct, including prostitution, sexual assault, and disorderly conduct. The Council also finds that the prohibition of nudity on the premises of any establishment licensed under this chapter, as set forth in this section, reflects the prevailing community standards of the city.

(B) It is unlawful for any licensee to permit or allow any person or persons on the licensed premises when the person does not have his or her buttocks, anus, breasts, and genitals covered with a non-transparent material. It is unlawful for any person to be on the licensed premises when the person does not have his or her buttocks, anus, breasts, and genitals covered with a non-transparent material.

(C) A violation of this section is a misdemeanor punishable as provided by law, and is justification for revocation or suspension of any liquor, wine, or 3.2 percent malt liquor license or the imposition of a civil penalty under the provisions of § 703.010(B).

Penalty, see § 703.010

**701.050**      **Consumption in public places.** No person shall consume intoxicating liquor or 3.2 percent malt liquor in a public park, on any public street, sidewalk, parking lot or alley, or in any public place other than on the premises of an establishment licensed under this chapter, in a municipal liquor dispensary if one exists in the city, or where the consumption and display of liquor is lawfully permitted.  
Penalty, see § 703.010.

**702**            **LICENSING**

**702.010**      **Number of licenses which may be issued.** State law establishes the number of liquor licenses that a city may issue. However, the number of licenses which may be granted under this chapter is limited to the number of licenses which were issued as of the effective date of this chapter, even if a larger number of licenses are authorized by law or election. The Council in its sound discretion may provide by ordinance that a larger number of licenses may be issued up to the number of licenses authorized by M.S. Ch. 340A, as it may be amended from time to time. If a larger number of licenses in a particular category has been authorized by a referendum held under the provisions of M.S. § 340A.413, Subd. 3, as it may be amended from time to time, but not all of them have been issued, the larger number of licenses is no longer in effect until the Council by ordinance determines that any or all of the licenses may be issued. The Council is not required to issue the full number of licenses that it has available.

**702.020**      **Term and expiration of licenses.** Each license shall be issued for a maximum period of one year. All licenses, except temporary licenses, shall expire on December 31 of each year unless another date is provided by ordinance. All licenses shall expire on the same date. Temporary licenses expire according to their terms. Consumption and display permits issued by the Commissioner of Public Safety, and the accompanying city consent to the permit, shall expire on March 31 of each year.

The results of the preliminary investigation shall be sent to the Commissioner of Public Safety if the application is for an on-sale intoxicating liquor license or an on-sale wine license.

(B) *Comprehensive background and financial investigation.* If the results of a preliminary investigation warrant, in the sound discretion of the Council, a comprehensive background and financial investigation, the Council may either conduct the investigation itself or contract with the Commissioner of Public Safety for the investigation. The investigation fee for this comprehensive background and financial investigation to be paid by the applicant shall be \$500, less any amount paid for the initial investigation if the investigation is to be conducted within the state, and \$10,000, less any amount paid for the initial investigation, if the investigation is required outside the state.
